A total of 22 medals. Not counting the [2 minor London International Wine Challenge Medals won early in 2010.](#)

This season starts in late August and has been completed in Hobart. a few weeks before Xmas. *****

Highlights: 2 wines in the Top Fifty Wine Tasting held in Perth at the Hyatt after the Qantas Wine Show of WA 2010 .

Gold Award and Top Merlot -Sheraton Wine Awards
Gold medals - six
Silver medals- two
Bronze medals – thirteen.

Gold Medals were for all the reds varieties we produce and Aged Riesling .

All current release wines won medals across our whole range.
These results were achieved at WA and interstate wine shows . The latest at the last major show before Xmas (when our just released)2008 Frankland Reserve Shiraz won a Gold and was to of Class 53 at the Royal Hobart International Wine Show.

We are very, very pleased with these results.

**Now , again in 2011 we have won a Silver and two Bronzes from Three wines entered in the International Wine Challenge held in May in London ,
*** 9000 wines from all over the world are entered each year in this prestigious competition. We have again been very successful across Australia with many medals won across the whole range again in 2011.

All the best,
